

ADELITA GRIJALVA

DEMOCRAT | DISTRICT 5

I have committed my life to serving the needs of our children and community for the last 27 years. I've been on the TUSD Governing Board for 18 years, advocating for our most vulnerable.

As a mom of three and a life-long Tucsonan, I want our community to recover and prosper – that's why I'm running to be your next District 5 Supervisor.

After the tragic loss of our friend and champion, Supervisor Richard Elías, and with the support of the Elías family, I am accepting the challenge to carry forward our shared commitment to:

🌵 **Public Health** 🌵 **Small Businesses** 🌵 **Neighborhoods** 🌵 **Education**
🌵 **Criminal Justice Reform** 🌵 **Our Beautiful Sonoran Desert**

As your Supervisor, I will focus on the 3 Rs:
RECOVERY. RECOVERY. RECOVERY.

- ✓ I pledge to transition our county to a safe, healthy, and vibrant community that values inclusivity
- ✓ I pledge to increase greater preparedness and coordination among regional governments to protect us from future public health threats
- ✓ I pledge to work with small businesses AND workers to aid in their transition to a strong local economy
- ✓ I pledge to fight for our district to ensure we receive our fair share of recovery funds from the federal government and the state of Arizona
